**LARRY MILLER ANNOUNCES ENDORSEMENT FROM AFSCME COUNCIL 32**

*AFSCME believes in Miller's expertise, support for working people*

MILWAUKEE - Larry Miller, vice president of the Milwaukee Public School Board, today announced the endorsement from AFSCME Council 32 in his bid for reelection.

Steve Kroll, vice president of AFSCME Council 32, said, "We see Larry Miller as a highly qualified expert in the field of public education who will put the needs of the children in our public schools first."

Miller said, "I am truly honored to receive the endorsement and support of AFSCME, the nation's largest public services employees union, in my campaign for reelection. I have spent my career standing alongside working people, and I look forward to continuing to have them by my side, as well. With the election only three weeks away, their support is crucial in this ongoing fight for quality public education."

*Larry Miller is currently the vice president of the Milwaukee Public School board and has been representing Milwaukee's 5th district for the past eight years. He resides on the city's east side with his wife, Ellen Bravo. The general election is Tuesday, April 4, 2017.*
